0 weapons from falling into enemy hands. The Nazis have developed an improved V2 .0, and if they ever manage to deploy it, the end of the war will be at hand. To ensure the Nazis don't get their hands on it, you'll have to use a V2 .0 mounted on a Skyranger - one of the U.S. Air Force's flying fortress, designed to carry V2 .0 munitions - to drop a bomb on the V2 .0. As if that weren't enough, a team of Nazis, led by a murderous Nazi officer named Dr. . Ziegler, will be trying to steal your Skyranger, and if they succeed, you'll have to take it apart to prevent them from getting away with the V2 .0 - and its secrets.
